Krogman Named Executive Director of Community Mental Health for Central Michigan

The Community Mental Health for Central Michigan (CMHCM) Board of Directors is pleased to announce the appointment of Bryan Krogman to the position of Executive Director effective June 25, 2022. The Board made the appointment at its monthly Board meeting on May 31, 2022.

Krogman has been serving as Deputy Director for Administration for the past seven years and has been with the agency for over 28 years. According to Susan Svetcos, Chairperson of the Board, "We are confident that Bryan will continue to lead the agency forward and that the transition will be smooth as John Obermesik retires on June 24th after 30 years with the agency."

Bryan holds a Master's degree in Business Administration from Central Michigan University.

CMHCM services a six-county area: Clare, Isabella, Gladwin, Mecosta, Midland, and Osceola. The mission of CMHCM is to promote community inclusion and optimal recovery through provision of comprehensive and quality integrated services to individuals with a mental illness, developmental disability, and/or substance use disorder.
